

Oscar Noms List 2025

-21 categories (have been doing first six categories listed since 2020; the two screenplay categories started officially in 2023; last eight categories listed started in 2024; animated feature, original score, international feature, visual effects, and sound are new as of 2025)

-🧐 My pick to win if I was a voter (NOT who I think the Academy will choose)

-All are in the order of my final ranking

—*including snubs*

-27 unique full-length feature films nominated (plus 15 shorts) across the 21 categories

-All Best Picture films seen in theaters

-2 Categories not tracked yet: Documentary Feature and Original Song

-Link to my ranking of the Top 25 films of 2024: <https://boxd.it/AHWso>.
